QUESTION

I want to sign in to my Chief Architect account, but I forgot my password. How can I reset my password so I can gain access to my account?

RESOLUTION

1. Click on the [My Account \(https://accounts.chiefarchitect.com/\)](https://accounts.chiefarchitect.com/) link located at the top of the website.
2. Click on **Forgot My Password**.

Note: If you're currently signed in, but you no longer remember your password, sign out of your Chief Architect account to gain access to the Forgot My Password link.

3. Enter the e-mail address associated with your account and click **Submit**.
4. Access your e-mail account, then click on the **Reset My Password** button within the e-mail you received to proceed with resetting your password.
